

Paper Plate Art

Paper plates are a sturdy surface on which to work and paint does not bleed through. Many types of paper plates are available. I used “coated” paper plates, dinner size.

Materials

Coated disposable paper plates, 9”
Washable paint
Small paint brush
Heavy plastic shower curtain liner to cover table

Optional Items

Glitter glue
Glitter
Sequins
Crayons
Washable dot markers
Tacky glue for sequins, buttons, or other embellishments

1. Cover workspace with shower curtain liner.
2. Children use their imagination and creativity to paint a design or specific object.

*Listed are various materials that can be used to paint or draw on paper plates. Not all items are needed for the project. Use what you have on hand or purchase materials to embellish designs.
